

La Mia scuola in rete -technologies for inclusive teaching

Are new technologies useful for inclusive education?

Webinar dedicated to schools, families, students, teachers and educators. EMiT Feltrinelli talks about the experience of the project "La Mia scuola in rete" (My school on the net) with its protagonists in a round table addressing the good practices of quality teaching.

La Mia scuola in rete is an aid project that has allowed, during an emergency phase dictated by the pandemic, to avoid the interruption of relationships and learning in the School.

Thursday 18 March from **17:00** to **18:30** online on the EMiT Feltrinelli website there will be a round table on the topic:

Institutional greetings:

Paola Suardi: General Secretary of EMiT Feltrinelli

Interventions:

Venanzio Volpe: Head of Training Sector EMiT Feltrinelli - the story of the project supported by the Fondazione di Comunità Milano (Milan Community Foundation) on the Milano Aiuta call and in network with the Education Department of the Municipality of Milan;

Filippo Petrolati: Director of the Milan Community Foundation - role and objectives of the Milan Community Foundation;

Sabina Banfi: Director of School and Educational Services Area of the Municipality of Milan - the actions of the Municipality of Milan to support the transition to integrated teaching;

The Schools tell their stories

Barbara Pinto: Intercultural Referent Teacher, Istituto Madre Teresa di Calcutta;

Antonella Meiani: Lecturer Pole StarT I-ICS Via Giacosa;

ICS Cardarelli-Massaua: Multicultural Commission of the Parents' Assembly of Massaua primary school;

Greta Petese: President of the Parents Committee Pini 2.

I mediatori si raccontano
